LOCATION MAKE AND TAKE STATION

FAMILY SCIENCE NIGHT PRIZES!

You could win a \$25 VISA gift card for attending presentations and make and take stations! After the completion of each station or make and take experience, the presenter will provide you with a sticker to place on one of the cameras. When you have all stickers, complete the form and return it to the table in front of the media center. You will receive a prize for completion and be registered for our drawing that will occur at 7:55 pm. Good luck and enjoy Family Science Night!
